

We understand that today's consumer is more empowered and demanding. They want a digital, frictionless, and consistent experience from its bank. We made it easy with MobiFin, an omnichannel banking platform for creating a delightful customer experience.

# The unimagined banking experience:

- Start banking on one device and finish on the other
- Deposit cheque and cash on self kiosk
- Get support from your bank & transact 24/7
- Send and receive money using QR code
- Monitor transaction records
- An advance chatbot that helps you like a real person
